

CPA Kefah Bogonko Osiemo

Finance Manager

CPA Kefah Bogonko Osiemo is a finance and accounting professional with over 13 years of progressive experience in financial management, financial planning and analysis, audit, taxation, investment management and regulatory compliance within the cooperative sector. He provides strategic financial leadership focused on strengthening financial sustainability, enhancing member value, safeguarding institutional resources and supporting informed organizational decision-making.

Before joining KMA SACCO, CPA Osiemo served as Finance Manager at Kimisitu SACCO, where he led budgeting and forecasting, financial reporting, tax administration, treasury and liquidity management, investment portfolio management, audits and regulatory compliance. During his tenure, he strengthened compliance with SASRA capital adequacy requirements, enhanced risk and liquidity management frameworks, improved returns to members, reduced the cost-to-revenue ratio and won Financial Reporting Award (FiRe Award) Sacco category in the year 2024.

He previously held progressive finance roles at Kimisitu DT SACCO and Finnlemm SACCO, including Senior Finance Officer, Finance Officer and Acting Finance and Administration Manager. His achievements include implementing IFRS 9 and an automated Expected Credit Loss model, improving financial reporting turnaround times, strengthening internal controls, supporting core banking system upgrades and optimizing budgeting, cash-flow management and operational costs.

CPA Osiemo holds a Bachelor of Commerce in Accounting from Kenyatta University and is a Certified Public Accountant of Kenya (CPA-K). He has undertaken professional training in cooperative finance, taxation, strategic planning, transformational leadership, customer service and Microsoft Dynamics/Navision, among other areas.

He is committed to promoting sound financial stewardship, regulatory excellence, prudent risk management and sustainable growth, while ensuring that KMA SACCO continues to deliver trusted, efficient and member-focused financial solutions to the medical community.
