

Professional Profile – CPA. Otiwu Zebby Onam

CPA. Otiwu Zebby Onam is a results-oriented Accounting, Insurance, and Financial Management professional with over six years of experience in financial reporting, budgeting, internal controls, tax compliance, and risk management. He currently serves as an Accountant and Head of General Insurance Business at TIBA Insurance Agencies, where he oversees financial operations, insurance portfolio management, claims analysis, and strategic business development.

He is skilled in financial planning and analysis, cash flow management, general ledger administration, asset management, and statutory tax compliance. Zebby has extensive experience in preparing financial and management reports in compliance with IFRS and IAS standards and is proficient in handling regulatory and audit engagements with authorities such as KRA and external auditors.

A Certified Public Accountant (CPA-K) and an active member of the Institute of Certified Public Accountants of Kenya (ICPAK), he also holds a Bachelor of Commerce (Accounting Option) from Mount Kenya University. He brings strong analytical ability, sound financial judgment, and excellent stakeholder relationship management in both the accounting and insurance sectors.
